👁 26 ✓ 2 ★ 4

Chapter 1 by Isaiah Hofer

It was a late night, I was sitting on my computer browsing the internet, looking the usual memes, I thought to myself, "I'm tired of all this old memes, stupid rage faces, even the dank pepes are getting tiring." Suddenly, I had gotten I message, this was no normal message, as a text box just appeared in the center of my screen, it read, "So, your tired of the memes, but what if I said I had a meme, so great, so dank, so beautiful that I have kept it hidden for ages." I replied to the man by saying, "I must see this meme." But he replied, "I comes at a cost, I have hidden this meme in fear that someone unworthy must find it, take this map, and hopefully you can, farewell. The text box suddenly closed and I heard my printer going, it printed a very detailed map on how to find this 'meme'.

Chapter 2 by Cole Jackson

The map led all the way to the most mileage place I could ever go to.

My neighbour.

I set off on my journey, hoping to find the meme. I took my old friend, darkness, with me to help me find it.

Darkness is good at navigating.
